

# SNACK CARE

## EMY APPLE

With Apple, Guar and Fructose

Phytocomplex Fruit-Snack with vitamins  
Antioxydant - Hypoglucidic - Regenerating

### The fruit becomes Fruit-Snack

**Emy Apple** thanks to its content of apple is particularly suitable for hypocaloric diets. Apples are rich in soluble fibres able to give a sense of surfeit to your dog, to moderate the absorption of fructose and to allow a moderate but continuous energy supply, keeping a low glycemic level. Apples contain also polyphenols having strong antioxidant power which help your dog's body regenerate and keep fit.

## EMY FRESH

With vegetable Fibres, Aromatic Herbes,  
Minerals and Vitamin C

For the hygiene of the mouth and of teeth:

Strengthening – Refreshing – Protective

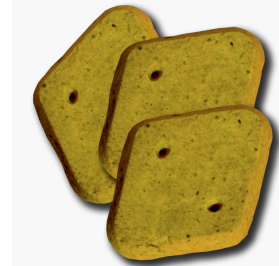

**For the hygiene of teeth and mouth**

**Emy Fresh** aids the tartar ablation and the digestive gas absorption, protects the teeth from decay development and prevents bacteria developments in the oral cavity. It is a masticable, refreshing product, a perfect solution to keep your dog's oral cavity fresh and sweet-smelling.

## EMY SPORT

With Ginseng, Coconut and Pineapple

Invigorating – Fortifying - Anti-inflammatory

**A Tonic, Energizing – Anti-inflammatory**

**Rally**

**Emy Sport** restores your dog's energy and is also a gratifying reward for his performances, devotion and faithfulness. This product can also be considered as an invigorating and antioxidant tonic, a perfect solution to strengthen and fight your dog's exertion and reduced physical strength, in case of intensive work, sport and/or recreational activities.

## **EMY BREAK**

The easily digestible snack with Milk,  
Cocoa and Corn

The everyday Snack

- Nutritious - Crunchy - Appetizing

### **The “out-of-hours” Snack**

**Emy Break** gives your dog an ideal palatable snack, just when his greediness becomes a prize. For your dog it can be both a crunchy breakfast and a tasty snack, with wholesome and balanced ingredients.

# TRADITIONAL CRUNCHY BISCUIT

**EMY NATURAL**

With Meat and Cereals

Crunchy biscuit

It helps Teething and Dental Cleaning - It strengthens his jaws

## **Crunchy biscuits for dental cleaning**

**Emy Natural** is a crunchy and tasty biscuit conceived to guarantee the right reward to your dog and to favor the removal of the tartar and the ablation of dental plaque. It is also particularly suitable to help the teething process and to strengthen his jaws during the chewing process. It protects his gums and regulates his salivation.
